

Mary Baker Eddy established a By-law for the Christian Science nurse in *The Manual of The Mother Church*, Article VIII, Sect. 31:

"A member of The Mother Church who represents himself or herself as a Christian Science nurse shall be one who has a demonstrable knowledge of Christian Science practice, who thoroughly understands the practical wisdom necessary in a sick room, and who can take proper care of the sick.

The cards of such persons may be inserted in *The Christian Science Journal* under rules established by the publishers."

In *The First Church of Christ, Scientist, and Miscellany*, she wrote:

"...each Rule and By-law in this Manual will increase the spirituality of him who obeys it, invigorate his capacity to heal the sick, to comfort such as mourn, and to awaken the sinner."
