

Writing for the Christian Science Periodicals

Engraved on the facade of the Christian Science Publishing Society in Boston is that wonderful passage from Psalms –
*"The Lord gave the word: great was the company
of those that published it." (Ps 68:11)*

One of the editors said, *I think each member is included in that
"company."*

You are warmly invited to a free workshop
on writing for the periodicals:

Monday, May 8, 2017

1:30 – 4:30 pm

Tenacre - Princeton, NJ

Facilitator: Cate Vincent, C.S.

Our primary tools for the workshop will be the Bible and *Science and Health with Key to the Scriptures* by Mary Baker Eddy.

We'll share inspiration, practice writing techniques, and discuss just what the Christian Science Publishing Society is looking for in testimonies, articles, poetry, and ideas for publication.

Grab your study books and join us for a few hours of inspired fun!
