Mary Baker Eddy established the By-Law, “Christian Science Nurse” in *The Manual of The Mother Church*, Article VIII, Sect.31:

“A member of The Mother Church who represents himself or herself as a Christian Science nurse shall be one who has a demonstrable knowledge of Christian Science practice, who thoroughly understands the practical wisdom necessary in a sick room, and who can take proper care of the sick.

The cards of such person maybe inserted in *The Christian Science Journal* under rules established by the publishers.”

In *The First Church of Christ Scientist, and Miscellany* she wrote: “...each rule and By-law in this Manual will increase the spirituality of him who obeys it, invigorate his capacity to heal the sick, to comfort such as mourn and to awaken the sinner.” My. 230:11
