

REVELATION: UNPACKING HEAVENLY SYMBOLS

A Discovery Series workshop given by
Madelon Maupin

Saturday, October 27, 2018
9:00 a.m. – 4:00 p.m.

It has long been a puzzle for Christians trying to
interpret Revelation's coded language
and vivid images.

We will examine the role of angels and
depiction of heavenly warfare as tools we can
apply today, unveiling a text that has been the
source of so many extreme views
throughout the centuries.

Please bring your Bibles!
